

CULTURAL RESOURCE CONSULTATION REQUIREMENTS

The following consultation requirements are subject to section 106 of the National Historic Preservation Act of 1966, as amended. After an alternative is selected, NPS would negotiate a park-specific programmatic agreement with the State Historic Preservation Officers in Kentucky and Tennessee and the Advisory Council on Historic Preservation, as recommended by the 1994 Programmatic Agreement between the National Park Service, The Advisory Council on Historic Preservation, and the National Council of State Historic Preservation Officers. The latter document guides NPS compliance with section 106 of the National Historic Preservation Act of 1966, as amended. The chart below includes most of the categories of management actions proposed. Other, specific actions may require consultation.
